steps to correct the parking problem, but we haven't," Lorange stated. "Many cities find that parking meters pay for themselves."

Protests
Among those protesting parking meters was Robert White of 3242 Torrance boulevard. "I have never found parking difficult," White said. "I go out of town to shop not because

of the parking problem but because of the lack of merchandizing facilities."
He hinted that shopping centers now springing up on the outskirts of the city take care of the problem. He offered moving of the civic center to another location as part of the solution.

Protests were also received from the board of the Pacific Hills homeowners association and John Crain of North Torrance.

Councilman Victor Benstead has been opposed to parking meters. The rest of the council has spoken strongly in favor of them until now as have a number of community leaders.

tracks and Hawthorne boulevard.

Since 300 homes are to be constructed there and a new school will be needed, it was obviously to Redondo's interest to let the Torrance school district carry the cost, observers have stated.

A close study of the Redondo Beach ordinance may disclose a way out for Torrance. Just in case it does, the Redondo school board is taking measures to condemn property in the new area for future school sites.

CONTEST
(Continued from Page 1)

prizes for the three runners-up Photo Arts, A-1 Photos, and the Torrance Press will each donate one of these prizes.

The contest, which will last six weeks, will be run on an elimination basis.
A finalist will be chosen each week. First, second and third place winners will be chosen from among the six finalists.

Each week, finalist will have his or her winning photograph reproduced on the front page of the Torrance Press. The winning shot will be selected from photographs submitted by 5 p.m. every Monday. This coming week's finalist will have his or her photo published a week from today.

Rules

Any amateur photographer living within the circulation area of this newspaper may enter as many as six separate pictures in the contest, but no more than one per week.

Judges named to select the winners are Ralph R. Gompertz, assistant editor of the Torrance Press; James Giacalone, manager of A-1 Photo Supplies, and James Krueger, owner of Photo Arts Studio.

All snapshots must be of a local nature and may be either newsworthy or artistic.

Judging will be based on originality and composition. Any amateur lens-enthusiast between the ages of 8 and 80 is eligible.

Entries may either be brought or mailed to the Torrance Press office, 1406 Cravens avenue, along with the name, address,

phone and age of the entrant. Negative must be included with any picture that measures under 5 by 7 inches.

Pictures and negatives will be held in the Press office for the duration of the contest, at the end of which owners may claim them here. No pictures will be returned by mail.

Mr. and Mrs. William D. Hedrick, of 1407 Flager, announce the birth of a son, Jeffrey Allen, born on June 11 at Torrance Memorial hospital, weighing 8 pounds and 1 ounce.

DOG BITE

after-effects of the Pasteur treatment.

Unless the dog can be located and captured, Billy will have to undergo 11 more such injections.

Must Find Dog

The Britt's have been told by the Humane Society to capture the dog themselves whereupon

the society would impound the dog for observation. The Britt's don't want others to take chances with the dog but would like to be notified of its whereabouts so they can go after it. Mr. Britt has a net with which he is trying to catch the dog.

Description of the dog is as follows: Very light, tan, cream-colored, about the size of a small collie, long hair, wearing a dog collar and license. It has been seen

around the location where Billy was bitten.

The Britt's phone number is FA. 8-6491.
There is no compulsory rabies vaccination law for dogs either in Torrance or Los Angeles, causing such incidents as the above to arise.

Mr. and Louis Saltzer, of 1466 W. 186th St., announce the birth of a son, Louis Paul, June 10, at Torrance Memorial hospital, weighing 7 pounds and 5 ounces.
